The Cypriot Federation of Canada held its bi-annual General Assembly and Elections on November 28, 2015. During the meeting various matters and ideas were discussed.

The mission of the Cypriot Federation of Canada is to co-ordinate actively and efficiently all activities, which relate to ethnicity, community, education and culture. We strive at developing and maintaining excellent relations with members of different organizations, with the aim of educating other groups of our efforts and focus.

In addition to maintaining strong relations with these groups, we are also working closely with democratically elected members of the Government of Canada, Cyprus, Greece and the Consul General of Cyprus and Greece in Canada. Our intention is to promote the rights, and freedoms of the Cypriot people, and work together towards the termination of the illegal Invasion and Occupation of Cyprus by Turkey.

We focus on the promotion of the customs and heritage of the Cypriot people and support the Greek Cypriot schools in Canada, through the pursuit of cultural and intellectual activities by means of lectures, meetings and other forums.
